

BIO KLEEN

BIOLOGICAL SOIL REMOVER

A cleaning agent that safely uses live bacteria to digest oils and other organic waste.

Features & Benefits

Kills Organic Odours

Bio Kleen contains non-pathogenic bacteria that effectively digests organic waste and kills odors caused by such waste.

Fragrance Free

Bio Kleen contains no fragrance making it ideal for use by those with allergies.

Removes Oil Based Stains

Bio Kleen effectively digests and removes stains caused by gas, diesel and oil. It works on concrete, paving stone, asphalt, fabric and more.

Environmentally Friendly

Bio Kleen is an extremely safe product to use and is completely bio degradable.

Areas of Application

- Carpets
- Vehicle Interiors
- Upholstery
- Waste Bins
- Grease Traps
- Septic Tanks
- Oil Stained Concrete
- Shop Floors
- Animal Care Facilities

Methods of Application

- Tornador Cleaning Tool
- Extractors
- Pump-Up & Trigger Sprayer

Directions For Use

Must be stored at room temperature. Do not allow to freeze. Once water is added, the bacteria are activated and will remain effective for no more than 12 hours.

Oil Removal from concrete: **1:** Dilute the product 1:3 - 1:10 **2:** Spray or pour the product directly on the oil stains. **3:** Wait at least one minute, then rinse the area with a garden hose or pressure washer. **4:** Again, spray or pour the product on the spot(s) and leave it there for some time, at least a day, for best results. **5:** In some cases a third application will be necessary. **Deodorizing Spray:** Spray Product at full strength or diluted 10:1 directly on the source of malodour. **Carpet Cleaning:** Pre-spray carpets at full strength or diluted up to 10:1 before extraction or carpet cleaning. **General Cleaning:** Use as is or dilute 1:30. **Tornador:** Pour product into the Tornador container, dilute 5:1 - 10:1.
